Sports Ministry Camp

Vision - To share the love of Jesus Christ across the Kentuckiana market with a multi-sports activity camp hosted in Floyd County, Indiana. Execute on the playbook that has worked with 812 MX Ministry across traditional sports.

How - The ministry will raise donations to purchase 76 acres in behind the MX track in 2023. Plans to fundraise building costs in 2023-2024, with a phased buildout with plans to host first camp in 2025.
